

CENTRAL ELECTRIC POWER COOPERATIVE, INC. (CENTRAL)
THIRD-PARTY FIBER ATTACHMENTS TO TRANSMISSION STRUCTURES
PRELIMINARY INFORMATION REQUEST

Purpose:

The Third-Party Fiber Attachment Preliminary Information Request provides developers with a standardized and efficient way to determine the availability and certain technical characteristics of Central owned transmission line routes, voltages, and general information related to typical structure height and type.

Process:

1. Please complete the requested information below and submit to Central.
2. Provide the \$500.00 fee as instructed in the attached Central Wiring Instructions.
3. You can expect to receive your Preliminary Information report within 15 business days of Central receiving the Preliminary Information Request and corresponding fee.
4. The Preliminary Information report will provide the following information:
 - a. Transmission line routes that are appropriate and total length of each route
 - b. Line name and ownership
 - c. Line design information (voltage, typical structure height, typical structure type, longest span length, etc.)

Application Information Needed by Central:

1) Developer contact information:

Contact Name: _____

Company Name: _____

Title: _____

Telephone: (____) ____ - _____

Address: _____

City: _____, State: _____ Zip: _____

e-mail: _____

CENTRAL ELECTRIC POWER COOPERATIVE, INC. (CENTRAL)
THIRD-PARTY FIBER ATTACHMENTS TO TRANSMISSION STRUCTURES
PRELIMINARY INFORMATION REQUEST

2) Third-party fiber project targeted in-service date: ___ / ___ / ____

3) Desired third-party fiber **starting** point (provide at least **one** of the following):

Transmission pole (TEFIS) number (6-digit number on pole): _____

or

GPS coordinates: _____, _____

4) Desired third-party fiber **ending** point (provide at least **one** of the following):

Transmission pole (TEFIS) number (6-digit number on pole): _____

or

GPS coordinates: _____, _____

5) This information request is submitted by:

Name of Developer: _____

By (signature): _____

Name (type or print): _____

Title: _____

Date: _____
